

Call to Action:

Vienna goes Slush 2024.

Join us from November 20-21, 2024 in Helsinki!

Are you a visionary startup based in Vienna with a innovation solution ready to take the world by storm? Here's your opportunity to present it to the global startup community.

Vienna Business Agency will sponsor up to 3 selected Viennese startups to participate in Slush 2024, the premier event for startups and tech talent worldwide. This is your chance to showcase your innovative solutions, connect with international investors, and network with industry leaders.

What We Offer:

- Free access to Slush 2024 – 1 startup ticket / selected startup
- Travel Support: Up to 500,00 EUR coverage for hotel and flight¹
- Global Exposure: Showcase your startup to a diverse, international audience within the Austrian Pavillion and beyond
- Networking Opportunities: Engage with potential investors, partners, and fellow innovators at Slush and the 300+ side events of Slush.

Why Slush?

Slush is Europe's most here founder-centric event and brings together over 13,000 tech enthusiasts. Among them 4,000 startups, and 3,000+ investors - creating more than 20,000+ meetings. For more details, see check the [slush website](#).

Who can apply?

- Startups based and legally formed in Vienna.
- Startups which are not older than 5 years
- Startups from any industry working on innovative and impactful solutions.

Vienna Business Agency is dedicated to fostering a diverse and inclusive environment that promotes equal opportunities. We particularly encourage applications from teams with diverse leadership.

Selection Process:

Our panel of experts will review all applications and select the most promising startups based on innovation, and readiness to leverage this opportunity. Selected startups will be notified latest by September 13, 2024.

Don't miss out!

This is your chance to present your startup and represent your home base Vienna to a global audience.

[1] Please be aware that this a De Minimis Aid. Selected startups have to file the de minimis records accordingly. Due to the ticket regulations at Slush, Startups need to buy their ticket themselves. The travel support and the ticket fee (category: startup ticket) will be reimbursed after participation. The travel support will be calculated based on the real expenses for the travel and are limited to max. 500,00 EUR / Startup. (Eligible costs are: Return Ticket Helsinki-VIE, Accommodation in Helsinki).
