

## Discover Vienna: Climate Tech

**22.-25.10.2025**

Looking for discovering new opportunities for your Climate Tech startup? Spearheading the development of sustainable technologies, policies and networks, Vienna is the place to be.

Apply by **September 15th, 2025**, to join the Discover Vienna programme designed by the Vienna Business Agency.

Gain valuable insights into Vienna's dynamic climate tech startup ecosystem. Discover the pulse of the local innovation environment, identify opportunities, and explore how Vienna can be your launchpad into Central Europe's emerging markets.

The programme is targeted at startups\* which

- are not older than 5 years old,
- are beyond prototype stage and work with first paying customers,
- work on impactful solutions in the fields of Climate Tech, including e.g.:
  - Clean Energy & Storage
  - Clean Industry & Logistics
  - Agriculture & Food systems
  - Sustainable mobility & transportation
  - Water & Blue Economy
  - Sustainable Construction
  - Circular Economy

### The programme provides you with:

- accommodation between 22.-25.10.2025 in Vienna
- travel reimbursement of max. 200€
- learning and networking opportunities with local startups, companies and international peers

Preliminary programme:

- 22.10. - Arrival in Vienna and welcoming dinner
- 23.10. morning - Excursion to Climate Tech infrastructure/company
- 23.10. afternoon - Session on the Viennese Climate Tech ecosystem and networking
- 24.10. - Participation at [Climate Innovation Festival](#)
- 25.10. - Departure

Final timetable and sessions will be announced following confirmation of participation.

Vienna Business Agency believes that diversity drives innovation. We are committed to support startups that reflect a wide range of perspectives. Furthermore, the programme aims at being an inclusive and barrier-free experience for everyone. If you need any special assistance, please share your needs with us in the application form.

\*startups are companies that work on innovative and scalable business models or technologies.

### Criteria and application process:

All applications will be evaluated after the application deadline.

Selection criteria are based on the achieved traction, motivation and fit of the startup to the topics of the call and programme.

### Coverage and Disclaimer

Please note that the programme provides only the **costs of accommodation in Vienna, travel costs** from **October 22<sup>nd</sup> to October 25<sup>th</sup>** and **additional services mentioned in the programme for one person per startup**. Accommodation and travel reimbursements can only be granted to companies that are not located or founded in Austria.

If your accommodation is already covered by another programme (e.g. ClimateLaunchpad), only travel reimbursement will be granted.

Other costs linked to your time in Vienna (e.g. local transport) are not included.

Eligible startups are all registered companies, that are beyond prototype stage, and/or have already successfully launched in their home markets.

Changes to the programme are possible until programme starts.

### Application open until 15.09.2024!
