

Dear participants,

We are excited to soon welcome you to our event!

Here are some additional details to help you prepare.

Schedule

The event registration starts at 9:00 o'clock. The official program commences at 9:45 o'clock.

The event concludes at 15:00 o'clock.

Green Event

Sustainability is a key focus for us, which is why we have decided to organize this event according to the criteria of the Austrian Ecolabel for Green Meetings/events.

A crucial aspect of this is environmentally friendly travel to and from the event location. [Climate Lab](#) is centrally located in the 9th district and is easily accessible by public transport, such as the U4/U6 subway line (Spittelau station) and the Donaulände. Public transportation arrives every couple of minutes.

How to arrive

By train: Bahnhof Spittelau ca. 550m

By subway: U4/U6 Spittelau ca. 400m

By bus: 35A, 37A ca. 500m

By bike: We recommend using the WienMobil App for getting around the city.

We recommend the use of public transportation or bicycles.

Bicycle parking is available on the square in front of the waste incineration plant.

If you cannot avoid using a car or if you are arriving by plane, you can offset the resulting CO₂ emissions through compensation payments. We recommend [climatesaustria.org](https://www.climatesaustria.org), or [myclimate.org](https://www.myclimate.org)

We have barrier-free access. The event room is accessible through the Wien Energie building with the elevator in the 8th floor.

During the event, you can expect an exclusively seasonal vegetarian/vegan buffet, as well as fairtrade coffee/tea and regional beverages served in reusable containers.

We consciously refrain from providing giveaways and merchandise products.

For further inquiries regarding the Green Event, feel free to contact our on-site representative, Moritz Hentrich, at any time.
