

Vienna Region goes TECHARENA 2026

Join us from February 11-12, 2026 in Stockholm!

[Vienna Business Agency](#) & [Vienna Region](#) invites startups based in their region to join a delegation to **TECHARENA 2026**!

This is your chance to showcase your innovative solutions, connect with international investors, and network with industry leaders.

About TECHARENA:

TECHARENA brings together entrepreneurs, investors and business leaders in Stockholm - the innovation capital of the Nordics.

Topics to be covered in 2026

- AI & Technology
- A new global order
- MedTech
- Defence Tech
- Corporate Innovation
- Marketing
- Product & UX
- Impact

Check the event agenda here: [TECHARENA 2026 - Agenda](#)

Who can apply?

- Startups based and legally formed in Vienna, Lower Austria and/or Burgenland (States represented in the joint project: [Vienna Region](#))
- Startups which are not older than 5 years
- Startups working on innovative and impactful solutions

Vienna Business Agency & Vienna Region are dedicated to fostering a diverse and inclusive environment that promotes equal opportunities. We particularly encourage applications from teams with diverse leadership.

Selection Process:

Our panel of experts will review all applications and select the most promising startups based on innovation, and readiness to leverage this opportunity. Selected startups will be notified **by 18.12.2025**.

What We Offer:

- Free access to **TECHARENA 2026** – 1 startup ticket / selected startup
- Travel Support: Up to 500,00 EUR coverage for hotel and travelling*
- Global exposure and networking opportunities
- Preparation support for the conference

Application are open until 16.12.2025, 11:00 a.m. (CET) via:

<https://leadspicker.com/app/apply/techarena-2026-join-us/>

*The final travel budget will be calculated based on your actual costs and only paid after successful participation. This is a deminimis-relevant call, so all supported startups are expected to fill out the deminimis form presented by their respective support agency (Vienna Business Agency or Wirtschaftsagentur Burgenland) to confirm their participation.
